

**The Bowling Green Township Comprehensive Plan Committee met Wednesday January, 20 2010 at 5:30PM in the Township Community Building.**

Committee Chairperson Michael Pitcher called the meeting to order at 5:30PM.

In attendance

Committee Members: M. Pitcher, M. Burgess, D. Krier,

BGT Trustees: D. Watkins

Several committee members were absent due to a CAUV meeting and/or work obligations.

Committee members provided updates to assignments.

Licking County Planning Commission (LCPC) reviewed the proposed community survey and has provided comments. Comprehensive plan committee members need to review and evaluate the suggestions.

Brad Mercer, planning manager, at the LCPC indicated that LCPC has experience a reduction in staff. In 2009 when the township committee was formed, we expected that LCPC would participate in our local meetings starting February, 2010. However, with the staff reductions, Brad Mercer indicated that the LCPC involvement will most likely be delayed until early summer.

The meeting was adjourned at 5:50PM.
